# WE'RE HIRING

## Landscape Architect

**Position Opening** 5-15 Years Experience

We are looking for a dynamic candidate with expertise in landscape architecture from concept design through construction administration to join our collaborative team. As a landscape architect you will work with clients and team members to manage and prepare projects at all stages of design with an ability to coordinate the technical aspects of design and detailing. You will also assist with construction administration and observation in the field. A successful candidate will have a passion for the profession, be highly organized, creative, and able to work on multiple projects of varying size simultaneously.

**The ideal candidate(s) will meet the following requirements:**

- 5+ years experience working in the landscape architecture field. Previous public park design/ construction experience a plus.
- Bachelor's degree in Landscape Architecture
- Demonstrated leadership in project development processes from conceptual design through construction observation
- Ability to budget time to comply with deadlines and tight project schedules
- Experience coordinating projects as a contributing member of a collaborative team with excellent written and verbal skills to interface with team members and clients.
- Ability to take initiative and resolve problems with minimal supervision
- AutoCAD, SketchUp, Adobe Creative Suite, MS Office Suite
- Basic Midwest plant knowledge
- Must be able to travel locally

Compensation includes competitive salary commensurate with experience, benefits package and a bonus system is included. We take pride in supporting our staff with professional development opportunities. Position to remain open until filled.
