

WE'RE HIRINGMid-Level Landscape Architect

We are looking for a dynamic candidate with expertise in landscape architecture from concept design to construction administration to join our collaborative team. At Upland Design, you will work with clients and team members to manage and prepare projects through all stages. You will also assist with construction administration and observation in the field. A successful candidate will have a passion for the profession, be highly organized, creative and able to work on multiple projects of various sizes simultaneously.

The ideal candidate(s) will meet the following requirements:

- 5-12 years' experience as a licensed Landscape Architect working primarily in the Recreation Industry or Municipal Work
- Experience as a practicing landscape architect responsible for the delivery of diverse, complex programmatic projects
- Self-motivated with proven leadership skills and have managed teams
- Must be detail oriented, thorough, well-organized, and effectively manage time
- Proven record of maintaining client relationships
- Team player with excellent listening skills and diplomacy; willingness to work with multiple different colleagues on a variety of initiatives
- Outstanding oral communication and presentation skills
- Strong organizational skills – ability to handle multiple tasks simultaneously
- Consultative, service-oriented mindset and collaborative problem-solving skills
- Proactive and goal-oriented, with the ability to work independently and manage change effectively

Compensation includes vacation, sick days, and paid holidays. In addition, health insurance, dental insurance, life insurance, retirement plan and bonus system are included. We take pride in supporting our staff with professional development opportunities.

Annual Salary: \$72,000-\$102,000
