Landscape Architect Position 3+ Years Experience

Upland Design specializes in public park design, garden design, sports fields, playgrounds, natural area development, transportation sites and corporate landscape architecture. This is our 20th year of assisting clients in Illinois, Michigan and Indiana with all phases of site and project planning through construction administration.

We are growing our Plainfield office!

The ideal candidate(s) will meet the following requirements:

- Minimum 3+ years experience working in the landscape architecture field. Previous public park design/ construction experience a plus.
- Bachelor's degree in Landscape Architecture
- Demonstrated experience in conceptual design through construction observation
- AutoCAD, SketchUp, Adobe Creative Suite, MS Office Suite
- Basic Midwest plant knowledge
- An interest in how things are constructed
- Valid driver's license

We are looking for a dynamic candidate with expertise in landscape architecture from concept design through construction administration to join our collaborative team. As a project manager, you will work with clients, prepare concepts through construction documents and specifications. You will also provide construction administration and observation in the field. A successful candidate will have a passion for the profession, be highly organized and able to work on multiple projects of varying size.

Compensation includes vacation, sick days, and paid holidays with a flexible work schedule. In addition, health insurance, dental insurance, life insurance, retirement plan and bonus system are included. We take pride in supporting our staff with professional development opportunities.

Upland Design Ltd creates great outdoor spaces for communities to go OUTSIDE! If you have a great attitude and a sense of humor, please apply. Our team is looking forward to a fun summer.
